

## WELCOME TO BIGSBY'S FOLLY

Artisanal meets accessible at our full-production urban winery where we pair the tradition, authenticity and sophistication of the world's most prestigious vineyards with the approachability of our Roaring 20s-inspired tasting room. Bigsby's Folly is located in the heart of Denver's hottest neighborhood, the River North Art District or "RiNo" as the locals call it.

It's a friendly, neighborhood establishment meant to bring you closer to the art and science of winemaking in a stunning, yet comfortable setting. Finally, there's no need to jump on a plane to Napa Valley. We're bringing the best of California and other well respected wine regions to you.

Our beautifully restored building which dates back to 1886 will serve as the perfect backdrop for any occasion. Bigsby's Folly will delight guests with its 30 ft. exposed timber ceilings, original brick walls and abundance of natural light. Our versatile space can accommodate groups from 15 to 300 guests. An unforgettable experience awaits, inside our private tasting room, production area or outside on our spacious private courtyard complete with a fire pit and games.
